

Commitment of Dhaka City Corporation

- **Environmental Vision:** Clean Dhaka by 2015
- **Environmental Targets:**
 - Ward Based Solid Waste Management in 20 wards by 2011 and 50 wards by 2015
 - Increase waste collection coverage 70% by 2011, 80% by 2015
 - Waste reduction and re-cycling 20% by 2011 and 30% by 2015
 - Sanitary dumping of all waste by 2015
- **Action Plans to support the targets:**
 - Expand ward based approach of solid waste management gradually
 - Introduction of 100 modern and environmental friendly vehicles including 35 compactors by 2010
 - Construction/ renovation ward offices at maximum possible wards. (20 offices by 2011 and 40 offices by 2015)
 - Functionalize ward offices to manage ward solid waste management by April 2010.
 - Private sector participation in waste recycling
 - Arrangement of incentives
 - Operate the sanitary landfills
